(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

The firm of Selitto Behr and Kim dissolved on or about 27th June 2003. Certain files including the present one were returned tome(omri Behr)

On 29th August 2003, I sent a notice of address change to the USPTO, which was received on September 2, 2003 (see attach). The Examiner states that an action was mailed on 24th September 2003. This was never received. Clearly it was mailed to the old address, as the notice of abandonment was sent to the old address. While some mail has been forwarded via my former associates, this has been sporadic and I have no idea if all mail received by them has been forwarded to me. Upon receipt of the outstanding Official action it will be responded to promptly, with extension if needed.

(Please attach additional sheets if additional space is needed.)
